

Quilchena Reading Challenge—May

Adventures you can have at home

Katrina Mayer, a theologian and motivational speaker said “A book is a magical thing that lets you travel to far-away places without ever leaving your chair.” She is, of course, completely correct. This month see what you can find around your house to match these challenge categories. Don’t forget that you can use audio books too!

1. A Science Fiction novel or short story.

2. A story or non-fiction book about water.

3. A story written by an author who is not white.

4. A story (or collection of stories) of mythology.

5. A memoir or biography

The Quilchena Reading Challenges are for all students, teachers, and parents. The categories are designed to be applicable to any and all reading levels. As a reader, you get to choose how long, how hard, and in what format the books are to complete this challenge. I trust you to make good choices for yourself.
