

Discover Physics @

The SFU logo consists of the letters "SFU" in a white, bold, sans-serif font, centered within a solid red rectangular background.

SFU

A Free Workshop for Students in Grades 11 & 12
Friday, October 20, 2017

- Research Talks by SFU Physics Faculty
- Talk & Q/A Session: "What Can You Do With a Physics Degree?"
- Research Lab and Observatory Tours
- Lunch Included

A nighttime photograph of a modern building with large windows, some of which are illuminated from within. A long, dark path leads towards the building, flanked by numerous horizontal light trails in various colors (red, green, blue, yellow) that create a sense of motion and depth. The overall scene is dark, with the building and light trails providing the primary sources of light.
