

The Austin Wang and Dr. Jim McEwen Innovation Fund

Purpose: To provide financial incentive for a project to support Science or Social Innovation.

Amount: total of \$1000 to be awarded

Application Process

The application process consists of two rounds:

Round 1:

Application Deadline: November 10, 11:59pm

Submit to: pgchan@vsb.bc.ca

Your application must be divided into the following headings:

1. Objective (your project in two sentences)
2. Background Information
3. Project description (How are you going to achieve this?)
4. Relevant applications (Why is it important?)
5. Initial cost estimate for your project. Be as detailed as you can be.

Relevant Information: Please provide any relevant personal information (motivation, financial, previous related experiences, etc.)

Your application is limited to two pages. Please speak to the committee regarding other possible presentation formats.

All applicants will be notified, and shortlist candidates for Round 2 will be contacted by November 14.

Round 2:

Presentation: November 17th

The shortlisted candidates will give a five minute presentation to the committee. The presentation will provide a more in depth synopsis of their project (including detailed list of costs). A detailed paper copy of your presentation must also be submitted. The successful applicant will be chosen by November 24st.

The Austin Wang and Dr. Jim McEwen Innovation Fund committee members are Mr. Borges, Mr. Chan, Ms. Henderson, and Ms. Leong.
