People of interest [Remember you **MUST** consult with me first!]

Shamanism [traditional or modern. Chose one geographically specific group and do not generalize]

Timothy Francis Leary (October 22, 1920 - May 31, 1996)

Dr. Richard Alpert was born April 6, 1931. He was later known as Baba Ram Dass. I recently talked with Ram Dass at his home on Maui and probably can put you in contact with him if you have specific questions.

Terrence McKenna (November 16, 1946 - April 3, 2000)
