## Travel Tracer

In a book where characters move around a lot and the scenes change, it is important for everyone in your group to know where things are happening and how the setting may have changed. The Travel Tracer tracks where the action takes place. He/she also describes the detail.

1) List all the places/scenes in this weeks reading

---

---

---

---

---

---

2) Describe where the action begins.

3) Describe where the key events happen

4) Describe where the action ends
