

Discovering the English Renaissance through Gender Roles

Research Questions

Class: _____ Date Due: _____ Presentation Date: _____

Names of Group Members:

Research Questions:

1. What were male stereotypes and roles like during the English Renaissance?
2. What were female stereotypes and roles like during the English Renaissance?
3. How are male/female stereotypes and roles in the Renaissance different from our male/female stereotypes and roles today?

Start your research with these sources:

- *The City* (from the Life of Renaissance series) – 940.2 HIN
- “Women” in the Renaissance series, vol. 10 – 940.2 REN v.10

Tips for Research:

- Browse the trolley for more print sources.
- Use EasyBib to cite your sources. **Each group will submit one Works Cited page.**
- Make sure you cite everything: encyclopedia articles, books and images.

How Did You Contribute?

While your group will earn marks together, your contribution to the project will affect your overall grade as well. Please write 1-2 sentences in the space below detailing each group member’s part of the project and hand in this sheet when you are submitting the written part of your project.

Ex. Miss Lai researched the answers to question 1, wrote all the paragraphs for question 1 and worked on the PowerPoint presentation with Miss Loo.
