

Discovering the English Renaissance through Theatre

Research Questions

Class: _____ Date Due: _____ Presentation Date: _____

Names of Group Members:

Research Questions:

1. How was acting perceived by the public during this time period? How was it perceived by nobility?
2. What theatres and acting companies existed?
3. What stage conventions were popular during this time?

Start your research with these sources:

- *Shakespeare's Theatre* (from the Inside Story series) – 792.09 MOR
- <http://webcat.vsb.bc.ca> > Databases > World Book > Student > Search “Shakespeare > His work in theatre companies” OR “Globe Theatre”
 - o Make sure you use the username and password found in your agenda

Tips for Research:

- Browse the trolley for more print sources.
- Use EasyBib to cite your sources. **Each group will submit one Works Cited page.**
- Make sure you cite everything: encyclopedia articles, books and images.

How Did You Contribute?

While your group will earn marks together, your contribution to the project will affect your overall grade as well. Please write 1-2 sentences in the space below detailing each group member's part of the project and hand in this sheet when you are submitting the written part of your project.

Ex. Miss Lai researched the answers to question 1, wrote all the paragraphs for question 1 and worked on the PowerPoint presentation with Miss Loo.
