

McEWEN FAMILY AWARDS

AMOUNT: up to 4 awards at \$2,000 each

DESCRIPTION: These awards are provided to graduating students, based on a combination of:

- academic achievement
- nature and level of contributions within the school and in the larger community, and
- an evaluation by the Scholarship Committee of other factors based on the information provided in the applicant's Personal Statement.

In the applicant's personal statement, some or all, of the following criteria questions pertinent to their specific situation should be addressed:

- Regarding involvement in school activities and in activities in the larger community, what do they regard as their major accomplishments?
- What motivated them to become involved?
- How long has the involvement been?
- What has been personally learned?
- How have they personally benefited from their involvement?

or

- Have they had to take on unusual responsibilities within their family while going to school that may have limited their ability to participate in school activities or to be involved with community activities and services? For example, have they had to spend time to help care for one or more family members, or have they had to work part-time to help support themselves or their family? Please explain, being as specific as possible.
