Stages of the Cell Cycle

Name:

Block:

Stage 1: Interphase

Phase	Description
Growth and preparation	
Replication	
Continued growth and preparation	

Stage 2: Mitosis

Phase	Labelled Diagram	Description
Early Prophase		
Late Prophase (Prometaphase)		

Phase	Labelled Diagram	Description
Metaphase		
Anaphase		
Telophase		

Stage 3: Cytokinesis

Phase	Description
Cytokinesis
