Physical Regions of Canada Map  
(10 marks)

Use the map on p. 15 of the Canadian Oxford World Atlas.

1. Label and colour the 6 main regions of Canada:

Western Cordillera (purple)

Interior Plains (yellow)

Canadian Shield (dark green)

Great Lakes St. Lawrence (orange)

Appalachian (light green)

Arctic (pink)

2. Labelling must be fine lined in ink.

3. Shade in the water in blue or outline in blue

4. Shade in grey any land that is NOT part of Canada.

5. You will be marked on neatness as well as accuracy and spelling.
