

VSB

Self-Assessment of my Core Competencies

Name & Student No. _____

Grade 10-12 _____

CREATIVE THINKING

Novelty and Value: (Check off and provide evidence of a minimum of one "I can" statement.)

- I generate new ideas as I pursue my interests.
- I can create new things within the constraints of a form, a problem or materials from other people's or my own ideas.
- I can develop a body of creative work over time in a subject matter that interests me.
- I can _____

Evidence (I show this...):

Generate Ideas: (Check off and provide evidence of a minimum of one "I can" statement.)

- I combine my ideas with the ideas of others' to create new things or solve problems.
- I intentionally learn about something in depth to be able to generate new ideas or help ideas to just pop into my head.
- I use strategies for quieting my conscious mind, like walking away for a while, doing something relaxing or playing, so that I can be more creative.
- I can _____

Evidence (I show this...):
