JUSTIN DU

K.R. McKenzie Merit Scholarship

Being a top student while participating in sports, extracurriculars, and as the executive of several clubs at David Thompson. Justin Du was awarded with the K.R. McKenzie Merit Scholarship for being a well rounded student. Having played for the senior ultimate team, Justin is also currently an executive for Science Club, Code Club and Makers Club.

MARIANNE LI

Trojan Athletics Award

Participating in both school and club teams, Marianne was awarded with the Trojan Athletics Awards. For several years, Marianne has shown both commitment and passion for the sports she plays. Playing both badminton and volleyball at school, along with club volleyball, Marianne also shares her passion by coaching volleyball outside of school.

ALEX WANG

Dr. Jim McEwen Innovation Award

Receiving both the Dr. Jim McEwen Innovation award and Top Student in Mathematics, Alex Wang is an exceeding student who has shown his exceptional application of mathematics throughout his years. His hard work and dedication to mathematics strikes an awe from both teachers and his fellow peers.

ALINA REN

Top Student in Sciences

Awarded with the Top Student in Sciences, Alina Ren has displayed her understanding in sciences through biology, physics, and chemistry. Accomplishing this hard earned award, Alina is a student who brings out her best no matter what, giving her effort into each and every step.
