

## **DT Odyssey Program Assessment Test**

Students who have submitted their application package to the Odyssey Program are required to write the assessment test on Friday, January 9<sup>th</sup>, 2026, from 3:30 PM to 4:30 PM in the cafeteria. Please arrive at least 15 minutes earlier to check in to ensure the student has the entire assessment time allotted. Traffic in the school area may be high at this time slot so please plan accordingly.

Students will enter directly by the cafeteria doors (accessible through the staff parking lot) and register their attendance. Parents/Guardians are asked to remain outside the cafeteria during the assessment period. See page 2 for the map entrance to the cafeteria with the yellow dot.

Students are to bring pencils, pens, and erasers to complete the assessment test. The assessment test is general to understand the student's abilities. The assessment test is only one of the tools used in determining the student's abilities.

Once the assessment results have been finalized, all registered students will receive an email notification, around January 16<sup>th</sup> to 19<sup>th</sup>, with further information. We request that all grade 7 students be prepared for the student interviews on Monday, January 26<sup>th</sup>, 2026, from 8:15 AM to 12 PM. The program will invite 50 students for the interview due to staffing time constraints. Students without interviews will remain on the selection list and will be qualified for available spots in the cohort. We ask for everyone's patience as our committee sorts through the application packages and assessment results.

If there are questions, please email [dtodyssey@vsb.bc.ca](mailto:dtodyssey@vsb.bc.ca).
